5. Other Basic Online Banking Features

(A) Check Reorders, Check Stop Payments, Address Change, Order Documents, Secure E-Mail & Secure File Delivery Services

Additional features within the Service include check reorders and stop payments, address & contact information changes, and secure emails for document requests. The submission of requests, such as those for document requests, will generate a secure email to this Financial Institution. Generally, requests received through the Service's secure e-mail feature will be processed within one (1) to two (2) Business Days. For urgent requests, we recommend that you contact our Online Banking Department.

We also offer check stop payments and a direct link for check reorders. The check reorder link will securely submit your reorder request directly to the check printer. There may be additional fees associated with some of these services, such as when you place a stop payment on a check or reorder checks through the Service. Fees will be disclosed in our fee schedule and/or at the time of your request.

6. Fees

The same fees that apply to account transactions conducted by other means will apply to transactions initiated using Online Banking or Bill Payment Services. For example, if a bill payment transaction is returned unpaid due to insufficient funds, you will pay our standard checking/share draft NSF fee. Fees are subject to change. Fee schedules can be requested by contacting us at 334-270-9011 or by a request in writing at P.O. Box 231150, Montgomery, Alabama 36123-1150.

You are responsible for any and all fees assessed by your Internet service provider, telephone or mobile device carrier.

7. Requirements for Enrolling in the Service

In order to enroll in the Service:

- You must have an Eligible Account with this Financial Institution.
- Your account with us must be in good standing.
- You must be 18 years of age or older.
- You must be a resident of the United States or its possessions.
- You must have a computer and Internet browser that will support 128-bit encryption or a compatible mobile device.
- You will need Internet access through an Internet service provider (ISP).
- You will need access to a printer and/or other storage medium such as a hard drive for downloading information or printing disclosures.
- You will also need an external email address for the delivery of electronic notices and disclosures.
- You must maintain fully updated anti-virus protection on your computer at all times.

Prior to enrolling in the Service and accepting the electronic version of this Agreement, you should verify that you have the required hardware and software necessary to access the Service and to retain a copy of this Agreement.

If we revise hardware and software requirements, and if there's a material chance that the changes may impact your ability to access the Service, we will give you advanced notice of these changes and provide you an opportunity to cancel the Service and/or change your method of receiving electronic disclosures (e.g. change to paper format vs. an electronic format) without the imposition of any fees. Continued use of the Service will constitute acceptance of the changes.

8. Enrollment Process

You must complete the enrollment process to use the Service. You can enroll for the Service on the Internet.

The Internet enrollment process involves completing a secure online application that we will use to verify your identity. You will also choose your Access ID and Passcode during the enrollment process.

When you enroll for the Service, you agree to provide true and accurate enrollment information. Our Online Banking Department will verify the information you submit for accuracy and proper authorizations.

9. Linked Accounts

When you first enroll for the Online Banking Service, we will link all your designated Eligible Accounts to one Access ID. If you want to limit the accounts linked or the privileges assigned to an account, please contact us at 334-270-9011 or send us a secure email message through the Service.

If the Eligible Accounts added to the Service are jointly held or have multiple signers, you agree that access to the information and all transactions initiated using your Access ID and Passcode are authorized unless we have been notified to cancel the Service.

10. Signature Requirements

When any transfer, ACH, or other Payment Instruction is initiated through the Service for your benefit, you agree that we may debit the designated Eligible Accounts without requiring your signature on the item and without any notice to you. Requirements for dual signatures on checks, if applicable, do NOT apply to Bill Payments or other transfers initiated through the Service. Any Authorized User must be authorized individually to make electronic transfers and online Bill Payments. We may only grant view privileges to your Eligible Accounts through the Online Banking Service.

11. Account Balances

Balances shown in your accounts may include deposits subject to verification by us. The balance reflected in the Service may differ from your records due to deposits in progress, checks outstanding, or other withdrawals, payments or charges. A transfer request may not result in immediate availability because of the time required to process the request. A transfer request must be made before the Business Day Cut-off time to be effective the same Business Day.

The balances within the Service are updated periodically and the Service will display the most current "as of" date on the "accounts" summary page. There may be situations that cause a delay in an update of your balances. The Service will use the most current balance available at the time of a transaction to base our approval for account transfers.

12. Canceling or Changing Transfers

You cannot cancel a transfer after it has been entered into the system AND the information has been processed and/or transmitted to us through the Service; however, you can edit or change a transfer that is still "pending". For Business Customers, the term "transfers" also includes ACH transactions.

In order to cancel or change a pending transfer that has not been submitted to us for processing, use the following procedures:

1. Log in and make edits to the appropriate transaction.
2. Edits must be made before 2:00 p.m. CT for transactions to be processed the same Business Day
3. You may edit a pre-scheduled (future dated/automatic) transaction anytime before 2:00 p.m. CT on the Business Day before the scheduled transfer or payment date.
4. For transfers, you can change the transfer amount to \$0.00, or
5. If you accidentally transfer funds, you can schedule another transfer to move funds back to the original account.

For Business Customers, additional guidance on creating, canceling and editing ACH is available within the Service and from our customer service department. Business Customers may edit, delete, or un-approve ACH transactions prior to the effective date. After-cut-off time, if changes are necessary, please contact us immediately, we may not have sufficient time to stop such transactions from further processing. Separate agreements may detail the required timeframes for submitting and making changes to these types of transactions.

For assistance, you can send us a secure e-mail through the Service or call our Online Banking Department.

If you need our assistance on making edits to automatic/future dated transfers, you can send us a secure email through the Service; however, we must receive your request three (3) Business Days or more before the transaction is scheduled for processing. If you call, we may also require you to put your request in writing and get it to us within 14 days after the call. If you need to edit a pending or approved transaction after-cut-off time, please contact us immediately, although in these situations, we may not have sufficient time to stop the Online transfer from further processing.

13. External Transfers

You acknowledge that transfers from my ASE Credit Union account will not be completed until the estimated delivery date displayed on the Transfers Screen, dependent on the time of day my transfer is initiated plus the internal procedures of the sending/receiving financial institution.

You hereby authorize ASE Credit Union to electronically transfer funds from my accounts at ASE Credit Union to another financial institution except in the case of unavailable funds or other restrictions. ASE Credit Union may, when necessary, and without prior notice to me, make adjustments to any errors. ASE Credit Union will transfer funds in accordance with this authorization and shall not be liable for any loss due to inaccurate information. Once a transfer is made to another financial institution, ASE Credit Union will have no responsibility or liability for the deposit of such funds.

You acknowledge that the origination of ACH transactions from my account must comply with the provisions of U.S. laws and regulations. You certify that you are an owner and am authorized to conduct transactions on all accounts involved in the transfer.

You understand this authorization is in full force and effect until you inactivate or delete the account from my accounts transfer list.

You understand that if corrections to my requested transaction amount are necessary after it is posted to my account that you are authorizing ASE Credit Union to make adjustments to any errors, in accordance with ASE Credit Union's Agreement and Disclosures terms and conditions. You understand that these adjustments may involve a deposit or withdrawal to your account(s).

Transfer Limits

You acknowledge that the maximum dollar limit of any External Transfer from an ASE Credit Union account is currently \$5,000 per day, \$10,000 per week and a maximum of \$20,000.00 per any 30-calendar day period. ASE reserves the right to change these limits at any time without notice except as may be required by law.

You acknowledge that you can only add personal accounts where you are the owner to my ASE Credit Union Online Banking. You certify that you are the owner of those personal accounts, and you further acknowledge that you can only transfer to those accounts from your ASE Credit Union Online Banking. Commercial accounts are not eligible for transfers from your account. The External Transfer service cannot be used for making bill payments.

You understand that this agreement applies to all electronic transactions occurring after your consent to this agreement. This authorization may be unilaterally terminated by ASE Credit Union.

14. Bill Payment and Transfer Limitations

You may use the Service to check the balance of your Eligible Account (s) and to transfer funds among your Eligible Accounts at this Financial Institution. You must have sufficient funds in your account to cover the amount of any online transfers and Bill Payments on the scheduled payment date set for the transaction, or the transaction may not be processed. NSF and/or overdraft charges may be incurred if Bill Payments exceed your account balance.

We will also allow member to member transfers provided that both members are ASE Credit Union members. In order to process a member-to-member transfer, you must have the recipient's last name, member number and suffix. If you have not provided the Credit Union with the correct payment, account information, or other information, the Credit Union shall have no liability for completing the transaction.

Current federal regulations restrict the number of transactions that you can make from certain types of accounts, such as Money Market and Savings Accounts. For these types of accounts, you may not make more than six (6) pre-authorized electronic transfers, which include computer-initiated transfers, telephone transfers, checks, and point-of-sale transactions during a given monthly statement period. Transfers and Bill Payments authorized by personal computer through the Service are counted toward the six permitted monthly transfers. Federal regulations currently place no limits on the number of transfers or Bill Payments from your Share Draft Accounts; therefore, this financial institution currently limits the Bill Payment Service to only Share Draft Accounts.

15. Bill Payment Terms and Conditions

(A) Bill Payment Scheduling

The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days from the current date) will be designated within the Service when you are scheduling the Bill Payment. Therefore, the Service will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller.

When scheduling Bill Payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

(B) The Bill Payment Service Guarantee

Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. Except as expressly stated otherwise within this Agreement, this Financial Institution and/or its Service Providers will bear the responsibility for any late payment related charges up to \$50.00 should a Bill Payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Bill Payment Scheduling" in this Agreement.

(C) Payment Authorization and Payment Remittance

By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize us to follow the Payment Instructions received through the Service. In order to process payments more efficiently and effectively, our Service Provider may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize our Bill Payment Service Provider to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize our Service Provider to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another Authorized User of the Service.

(D) Payment Methods

Our Bill Payment Service Provider reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment or an electronic to check payment (Direct Check) or a Laser Draft Payment.

(E) Payment Cancellation Requests

You may cancel or edit any Scheduled Payment (if processing has not begun) by following the directions within the Service. There is no charge for canceling or editing a Scheduled Payment. However, once the Service has begun processing a Scheduled Payment it cannot be cancelled or edited.

(F) Bill Payment Stop Payment Requests

The ability of this Financial Institution and its Service Provider to process a stop payment on a Bill Payment request will depend on the payment method and whether the Direct Check has cleared. We may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any Bill Payment that has already been processed, you must contact our Member Service department at 334-270-9011.

Although we will make every effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your stop payment request in writing within fourteen (14) days.

The charge for each stop payment request will be the current charge for such service as set forth in our applicable fee schedule.

If we complete a stop payment request on your behalf, Bill Payment privileges may be suspended pending recovery of funds by our Service Provider(s).

(G) Returned Payments

In using the Service, you understand that Billers and/or the United States Postal Service may return Bill Payments to our Service Provider for various reasons such as, but not limited to, Biller's forwarding address expired; Biller account number is not valid; Biller is unable to locate account; or Biller account is paid in full. Our Service Provider will use its best efforts to research and correct the returned payment and return it to your Biller or void the payment and credit your Payment Account. You may receive notification from the Service of returned payments.

(H) Bill Payment Information Authorization

Requests for Bill Payment privileges may not be fulfilled if this Financial Institution and/or its Service Provider(s) cannot verify your identity and withdrawal authority over the specified accounts. Through your enrollment in the Bill Payment Service, you agree that this Financial Institution and its Service Providers reserve the right to request a review of your credit rating at our own expense through an authorized bureau. In addition, you agree that this Financial Institution and its Service Providers reserve the right to obtain financial information regarding your account from a Biller or your Financial Institution (for example, to resolve payment posting problems or for verification).

(I) Prohibited Payments

Payments to Billers outside of the United States or its territories are prohibited through the Service.

(J) Exception Payments

Tax payments and court ordered payments may be scheduled through the Service; however, such payments are discouraged and are scheduled at your own risk. In no event shall this Financial Institution or its Service Provider(s) be liable for any claims or damages resulting from your scheduling of these types of payments. The Bill Payment Service Guarantee as it applies to any late payment related charges is void when these types of payments are scheduled and/or processed by the Service. Research of exception payments shall be limited to proof of payment and/or unauthorized payments only. All other research and resolution for any misapplied, mis-posted or misdirected exception payments will be your sole responsibility.

(K) Biller Limitation

We reserve the right to refuse to pay any Biller to whom you may direct a payment. The Service will notify you promptly if it decides to refuse to pay a Biller designated by you. This notification is not required if you attempt to make a prohibited payment or an exception payment under this Agreement.

(L) Failed Transactions

In using the Service, you are requesting us to make payments for you from your Payment Account. If we are unable to complete the transaction for any reason associated with your Payment Account (for example, there are insufficient funds in your Payment Account to cover the transaction), the transaction will not be completed. In some instances, you will receive a return notice from the Service. In such case, you agree that:

1. You will reimburse our Service Provider immediately upon demand for the transaction amount that has been returned.
2. For any amount not reimbursed to the Service Provider within fifteen (15) days of the initial notification, a late charge may be assessed each month against unpaid amounts equal to 1.5% or the legal maximum, whichever rate is lower.
3. You will reimburse our Service Provider for any fees; it may incur in attempting to collect the amount of the return from you; and
4. Our Service Provider is authorized to report the facts concerning the return to any credit- reporting agency.

16. Bill Delivery and Presentment

This feature is for the presentment of electronic bills only and it is your sole responsibility to contact your Billers directly if you do not receive your statements. In addition, if you elect to activate one of the Bill Payment Service's electronic bill options, you also agree to the following:

(A) Information Provided to the Biller

We are unable to update or change your personal or business information such as, but not limited to, name, address, phone numbers and e-mail addresses, with the electronic Biller. Any changes will need to be made by you; contact the Biller directly. Additionally, it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's or company's bill.

Our Service Provider may, at the request of the Biller, provide to the Biller your e-mail address, Service address, or other data specifically requested by the Biller at the time of activating the electronic bill for that Biller, for purposes of the Biller informing you about Service and/or bill information.

(B) Activation

Upon activation of the electronic bill feature, our Service Provider may notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.

(C) Notification

Our Bill Payment Service Provider will use its best efforts to present all of your electronic bills promptly. In addition to notification within the Service, our Service Provider may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.

(D) Cancellation of Electronic Bill Notification

The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may also cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. Our Bill Payment Service Provider will notify your electronic Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. We will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.

(E) Non-Delivery of Electronic Bill(s)

You agree to hold harmless, this Financial Institution and its Service Providers should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.

(F) Accuracy and Dispute of Electronic Bill

Neither this Financial Institution, nor its Service Providers are responsible for the accuracy of your electronic bill(s). This Financial Institution and its Service Providers are only responsible for presenting the information received from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be addressed with the Biller directly.

This Agreement does not alter your liability or obligations that currently exist between you and your Billers.

17. Privacy

We understand how important privacy is to our members. We have taken steps to protect the privacy and security of your personal information as well as your financial transactions with us. You should read our [privacy notice](#) before completing the enrollment process for the Service.

(A) Disclosure of Account Information to Third Parties

It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transactions you make ONLY in the following situations:

- Where it is necessary for completing transactions.
- Where it is necessary for activating additional services.
- In order to verify the existence and condition of your account to a third party, such as a credit bureau or Biller.
- In order to comply with a governmental agency or court order; or
- If you give us your written permission.

Please refer to our [privacy notice](#) for additional detail on disclosure of account information.

18. Internet Security

The Service utilizes a comprehensive security strategy to protect your accounts and transactions conducted over the Internet. Prior to activating your access to the Service, our Online Banking Department will verify your identity and authorization against information associated with the Eligible Account (s) that you request to be linked to the Service.

Access IDs and Passcodes - One of the main security features protecting the Service is the unique combination of your Access Identification Code (Access ID) and Passcode. During the enrollment process, you will be asked to select a unique Access ID, and then choose a Passcode that will be used to gain access to the Service. You determine your own Passcode, which is encrypted in our database. Neither this Institution nor its Service Providers have access to this information. The Service will automatically deactivate your account after three unsuccessful login attempts within a 24-hour time frame. You may reset your passcode online or you may contact this Institution for assistance.

Because your Passcode is used to access your accounts, you should treat it as you would any other sensitive personal data.

- You should carefully select a Passcode that is hard to guess.
- You should not use words based on your name, address or other personal information.
- Special characters may be used to increase security.
- Do **NOT** use dictionary words.
- Keep your Passcode safe. Passcodes should not be shared with anyone, even Authorized Users.
- Memorize your Passcode and do **NOT** write it down.
- You should also change your Passcode occasionally, such as every 90 days.
- A Passcode should be changed immediately if you suspect that your Passcode has been compromised. This can be done at any time from the "Settings" menu after you log on to the Service.

NEITHER THIS INSTITUTION NOR ITS SERVICE PROVIDERS WILL CONTACT YOU VIA TELEPHONE OR EMAIL REQUESTING PERSONAL INFORMATION, YOUR ACCESS ID, OR YOUR PASSCODE. IF YOU ARE CONTACTED BY ANYONE REQUESTING THIS INFORMATION, PLEASE CONTACT US IMMEDIATELY.

Encryption – The Service uses the Secure Socket Layer (SSL) encryption technology for everything you do while using Internet banking. Your browser automatically activates this technology when it attempts to connect to our Service. The Service requires a browser that supports 128-bit encryption. The Service will warn you if your browser does not meet this requirement.

Cookies – During your use of the Service, our Online banking Service Provider will pass an encrypted *cookie* to your computer in order to identify your computer during the session. This cookie enables us to process multiple transactions during the session without having to provide an Access ID and Passcode for each individual transaction. Users must accept this cookie to use the Service. This cookie does not contain any personal information; it simply provides another level of security for our Internet banking product. The cookie is stored on your computer's hard drive, identifying your computer while you are logged on. When you log off, close your browser, or turn off your machine, the cookie will be destroyed. A new cookie is used for each session; thus, no one can use the prior cookie to access your account.

Additional Security Guidelines:

- All Authorized Users should sign-off after every Service session; however, online sessions will automatically end after ten (10) minutes of inactivity. This is to protect you in case you accidentally leave your computer unattended after you log in.
- The security of public computers (e.g., in a library, or Internet café) cannot be assured; therefore, we recommend that you refrain from accessing the Service on a public computer.
- Routinely scan your computer, servers, and electronic media using reliable virus detection and anti-spyware products. Undetected or un-repaired viruses or spyware may affect the performance of your computer, corrupt and destroy your programs, files, and even your hardware. Additionally, you may unintentionally transmit sensitive data to another third party or transmit a virus to other computers.
- Use a firewall product (hardware and/or software), especially if you have a broadband Internet connection such as DSL or cable modem.
- Keep your computer's operating system and browser fully patched for critical security issues. We recommend use of the most current, fully patched, versions of Internet browsers for accessing the Service.

19. Your Passcode Responsibilities

When you accept the terms and conditions of this Agreement, you agree not to give or make available your passcode or other means to access your account to any unauthorized individuals. You are responsible for all transfers and Bill Payments you authorize using the Service. If you permit other people to use the Service, your passcode, or other means to access your account, you are responsible for any transactions they authorize.

If you believe that your passcode or other means to access your account has been lost or stolen or that someone may attempt to use the Service without your consent or has transferred money without your permission, you must notify us at once by calling 334-270-9011 during customer service hours. You can also contact us by sending a secure message through the Service.

IF YOU OR YOUR AUTHORIZED USERS DISCLOSE YOUR PASSCODE TO ANYONE, AND/OR IF YOU ALLOW SOMEONE TO USE YOUR PASSCODE TO ACCESS YOUR ACCOUNTS, YOU ARE AUTHORIZING THEM TO ACT ON YOUR BEHALF AND YOU WILL BE RESPONSIBLE FOR ANY USE OF THE SERVICE BY THEM (E.G., SUCH AS WHEN YOU PROVIDE THIS INFORMATION TO A JOINT ACCOUNT HOLDER, AN EMPLOYEE, AND/OR AN AGGREGATION SERVICE PROVIDER).

In addition to the security features described above, there may be other security-related notices posted on our website or the Service from time to time. It is your responsibility to read all security notices.

You agree that we may send notices and other communications, including passcode change confirmations, to the current address shown in our records, whether or not that address includes a designation for delivery to the attention of any particular individual.

20. Our Liability for Failure to Complete Transactions

We will use commercially reasonable efforts to make all your transfers and Bill Payments properly. However, we shall incur no liability and any Bill Payment Service Guarantee shall be void if we are unable to complete any transactions initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of ours, your Eligible Account(s) and/or Payment Account does not contain sufficient funds to complete the transaction, or the transaction would exceed the credit limit of your overdraft account (if applicable).
2. The Service and/or the payment processing center is not working properly, and you know or have been advised by this Institution and/or its Service Providers about the malfunction before you execute the transaction.
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller.
4. Your Eligible Account(s), including either your Payment Account or Billing Account, is closed.
5. If your computer, software, telecommunication lines were not working properly, and this problem should have been apparent to you when you attempted the transfer or Bill Payment.
6. It can be shown that the Biller received the Bill Payment within the normal delivery timeframe and failed to process the payment through no fault of ours.
7. The payment or transaction request involves funds subject to hold, dispute, restriction, or legal process we believe prevents their withdrawal.
8. We have reason to believe that a payment or other transaction request may not be authorized by you or any third party whose authorization we believe is necessary; and/or
9. Circumstances beyond control of the Service, our Service Providers, and this Institution (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and we have taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from any of your Eligible Account(s), or Payment Account, or causes funds from your Payment Account to be directed to a Biller, which does not comply with your Payment Instructions, this Financial Institution and/or its Service Providers shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

21. Documentation and Verification of Payments and Transfers

Information regarding Internet Banking and Bill Payment transactions will be reflected on the account detail in the Service and in your regular monthly account statement(s).

- Write to us at

P.O. Box 231150
Montgomery, Alabama 36123

If you think your statement is incorrect or you need more information about an electronic transfer or Bill Payment transaction listed on the statement, we must hear from you no later than sixty (60) days after the FIRST statement was sent to you on which the problem or error appears. You must:

1. Tell us your name, relevant Service account number(s), and Access ID.

2. Describe the error or the transaction in question, and explain as clearly as possible why you believe it is an error or why you need more information; and,

We will tell you the results of our investigation within ten (10) Business Days after we hear from you and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your account.

For errors regarding electronic transactions on new consumer accounts, we may take up to 90 days to investigate your complaint or question. We may take up to 20 Business Days to credit a new account for the amount you think is in error.

If it is determined there was no error, we will mail you a written explanation within three (3) Business Days after completion of our investigation. You may ask for copies of documents used in our investigation. The Service may revoke any provisional credit provided to you if we find an error did not occur.

(B) Consumer Liability for Unauthorized Transfers

If consumer customers tell us within two (2) Business Days after you discover your password or other means to access your account has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your password or other means to access your account if you had told us, you could be liable for as much as \$500.00.

If your monthly account statement contains transfers that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may extend the period.
