COMMERCIAL FUNDS AVAILABILITY POLICY

Your Ability to Withdraw Funds

Our policy is to make funds from your cash and check deposits available to you on the 1st business day after the day we receive your deposit, unless they involve an International ACH Transaction. See below for more information on International ACH Transactions. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Longer Delays May Apply

However, in some cases, the availability of funds may be delayed under the following circumstances.

Case-by-Case Holds: Depending on the type of check that you deposit, funds may not be available until the 2nd business day after the day of your deposit. The first $275 of your deposits, however, will be available on the 1st business day after the date of deposit.

If we are not going to make all of the funds from your deposit available on the 1st business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Exception Holds: In addition, funds you deposit by check may be delayed for up to the 7th business day after the day of your deposit under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than $6,725 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last 6 months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available.

Deposits at Automated Teller Machines

We do not accept deposits at ATMs.

Cash Withdrawal Limitation

We place certain limitations on withdrawals in cash. In general, $275 of a deposit is available for withdrawal in cash on the 1st business day after the day of deposit. In addition, a total of $550 of other funds becoming available on a given day is available for withdrawal in cash at or after 5:00 p.m. on that day. Any remaining funds will be available for withdrawal in cash on the following business day.

Special Rules for New Accounts

If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first $6,725 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over $6,725 will be available on the 9th business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first $6,725 will not be available until the 2nd business day after the day of your deposit.

Funds from all other check deposits will be available on the 9th business day after the day of your deposit.

Business Days and Cut-off Times

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before the branch closing time on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after that time or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

International ACH Transactions

International ACH Transactions (IAT) that are transmitted to or from any of your accounts may be identified and designated by us for review and examination under the Office of Foreign Assets Control Rules and Regulations (OFAC Rules). In such a case, settlement of the IAT may be delayed or suspended, and may be terminated under applicable OFAC Rules. You also acknowledge that we may be required to place an indefinite hold on funds covered by the IAT if the IAT is required to be terminated under OFAC Rules. You agree

that any such delay is permissible under the laws applicable to the availability of funds held in deposit accounts. In the event an IAT is delayed or terminated, we will provide you such notice as may be required by applicable law.

Foreign Checks or Drafts

Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institutions upon which it is drawn.

Substitute Checks and Your Rights-Important Information About Your Checking Account

What Is a Substitute Check?

To make check processing faster, federal law permits financial institutions to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What Are My Rights Regarding Substitute Checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to dividends on the amount of your refund if your account is an dividend-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to amount, not lower than $2,500 of your refund (plus dividends if your account earns dividends) within 10 business days after we received your claim and the remainder of your refund (plus dividends if your account earns dividends) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any dividends on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How Do I Make a Claim for a Refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us by phone at 334-270-9011 or 800-634-9171 or by email at accounting@yourasecu.com. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include –

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check or the following information to help us identify the substitute check: check number, the name of the person to whom you wrote the check, the amount of the check.
